"2013 was considered one of Chile's coolest vintages in the past decade mostly driven by a slow and cool growing season, resulting in a late ripening of the fruit. As a result we obtained elegant wines with vibrant color, fresh fruit aromas, bright acidity and smooth tannins. Aromas of ripe red fruit and black pepper are complemented with cassis flavors and hints of spice with a long velvety finish." - Reviewed by: Producer

"Ruby red thru to the rim. Aromas morello cherries, crushed bing cherries, boysenberries and crimini mushrooms with brown spices and vanilla. Opulent and silky on the palate with cherry-berry flavors leading, framed with a subtle mushroomy earthiness and light acidity. Opulent style is moderately chewy with a light, simple dry finish. A pleasing international style for drinking and enjoying. May have some challenges with foods with acidity as it leans on the fatter side without a nervy zippiness to balance with foods with an acidic component." - Reviewed by: Beverage Testing Institute - 88pts

	"With opulent aromas of red and black fruits, spices, tobacco and sweet toasty notes deriving from the oak, this Cabernet Sauvignon is soft and creamy on the palate, with good volume and medium body. This is a well balanced wine with soft and mature tannins, a nice acidity and a lingering finish." - Reviewed by: Producer
