52165	Engelszell Gregorius	\$5.99	N/A	N/A

"In May 2012, the International Trappist Association approved Engelszell to be a Trappist Brewery. This was a big deal, as Engleszell became only the eighth producer of Trappist beer, and only the second outside of Belgium (Austria). Gregorius is a monk-made, 9.7% ABV dark triple brewed with honey."
