	"When you brew as much as we do, sometimes we get tired of telling the yeast what to do. For Apex Predator Farmhouse Ale, we pitch the yeast cold, turn off the temperature control, and let the yeast do it's thing. To our delight, it spat out the sweet scent of juicy fruit wafting from a frothy, white mane. Brewed only with grain and sugar unencumbered by the heat of the kiln, we create a hazy, golden body. Apex Predator gets its teeth from a generous Crystal dry-hopping that completes the dry finish with a fruity bite. Pounce on the opportunity to let it part your lips and you may find yourself at the top of the food chain." - Reviewed by: Producer			
68481	**Allagash Saison**	$10.99	N/A	N/A
	Allagash Saison is our interpretation of a classic Belgian farmhouse style. It is a golden hued beer, brewed with a 2-Row blend, malted rye, oats and dark Belgian candi sugar. It was hopped with Tettnang, Bravo and Cascade hops. Fermented with a traditional saison yeast strain, this beer exhibits notes of spice and tropical fruit in the aroma. Citrus and a peppery spice dominate the flavor and make way for a pleasant malt character. - Reviewed by: Producer
