196001	**Templeton Small Batch Rye**	$34.99	N/A	N/A
	"You might read the backstory of this whiskey - the company claims it's a Prohibition-era recipe and was Al Capone's favorite - and think this is just marketing-driven hooch, but that's far from true. Templeton is a well-balanced rye that's perfect for the holidays. It has a nose of mint and pine and delivers smooth butterscotch and allspice. A true winter warmer. Mr. Capone apparently had very good taste."Wall Street Journal
