	"Made in Italy, with true Italian craftsmanship, Hartley is smooth and instantly recognizable as superior... The bright copper color brings to mind the old-world alembic stills that produced this magnificent tipple. The rich aroma of fresh buttered rum cake wafts through the nose. The palate is an opulent smorgasbord of rich fruits. Asian pear, orange peel and juicy apricots drizzled with vanilla are accentuated by the tart alcohol. The finish is clean and crisp leaving the senses refreshed." - Reviewed by: Producer
