33048	**Becherovka Carlsbad**	$22.99	N/A	N/A
	"Sweet, cinnamon, medicinal bark, ginger, and cola nut aromas. A round entry leads to a bitter medium-to full-bodied palate with sharp and over-extracted medicinal herb and bark flavors, cinnamon and spice with a touch of flowery honey and spice. Finishes with a long bitter bark-like fade. A rather austere, but pure European digestif liqueur. Try super-chilled as a beer chaser." - Reviewed by: Beverage Testing Institute - 86pts
