115141	**Senior Curacao of Curacao Blue Orange Liqueur**	$26.99	N/A	N/A
	"The Blue seems to possess greater definition in the opening inhalations than the Orange. Palate entry is nicely citrusy and sour; at midpalate the orange taste is more pulpy and fruity than the Orange which was zesty. Finishes well in cascades of orange pulp and orange rind flavors." 85-89 pts. - Reviewed by: The Wine Enthusiast			
115143	**Senior Curacao of Curacao Original Orange Liqueur**	$26.99	N/A	N/A
	"Clear electric orange color. Sweet medicinal herb, bark, and orange skin aromas. A round entry leads to a supple, lightly syrupy medium-bodied palate with spicy orange peel, subtle medicinal herbs, and hot white pepper. Finishes with a exotic peppercorn, orange spice tea, and simple syrup fade. A good mixing ingredient that should cut through well in cocktails." - Reviewed by: Beverage Testing Institute
