54507	**Smuttynose Noonan Black IPA**	$9.99	N/A	N/A
	The nose on this beer gives absolutely no indications of this beers complexity. The appearance along with its huge roasted coffee, caramel and chocolate notes make you think stout all the way until the intensely bitter finish kicks in. Perhaps not as bitter as some of the other black IPA's on our shelves, but still a solid example of the still growing in popularity style. - Reviewed by: Kyle Fornek

	"Traditional mead, made from just wildflower honey. This award winning recipe is a showcase of honey, that is aromatic, flavorful and deliciously sweet, but not overly so, has a long lasting finish. Finish a meal with this wildflower mead, some say they can taste concord grapes, which would have been in bloom when the bees were gathering nectar, see what you can find. Sensual is a great introduction to mead for the inquisitive who want to taste mead for the first time. Sensual pairs well with Asian foods or with cheese and fruit." - Reviewed by: Producer
