	"Clear. Sweet aromas of tangerine gelatin candy, citrus frosting and delicate juniper follow through on a smooth, silky entry to a dryish medium body with rice candy, orange salt water taffy, mild pine sap notes. Finishes with a dry-yet-fruity dreamsicle stick-like, herb, and wet stone fade. A little confected, but very nice and highly approachable." - Reviewed by: Beverage Testing Institute			
39183	**St. George Terroir Gin**	$34.99	**$29.99***	14%
	Terroir Gin is our ode to the wild beauty of the Golden State. Distiller Lance Winters has a passion for exploring place and memory through distillation, and the aromas of the coastal forests on California's Mount Tam were what inspired him to start making gin in the first place. Terroir Gin has an intense earthy, woodsy nose and flavor derived from Douglas fir, California bay laurel, and California coastal sage—complemented by bright, citrusy top notes. This is a unique and proudly Californian gin with a sense of place and poetry. ST. GEORGE BOTANIVORE GIN

39181	**St. George Botanivore Gin**	$34.99	**$29.99***	14%
	Botanivore Gin (our "botanical eater") earned its name because it's loaded with botanical ingredients. We distilled 19 different botanicals to compose this spirit (no small feat!) and the resulting gin is beautifully balanced and vibrant. Lance compares this gin to an orchestra where all the components are working in harmony. Deliciously herbacious and bright, Botanivore is a versatile addition to any gin cocktail.			
39182	**St. George Dry Rye Gin**	$34.99	**$29.99***	14%
	Dry Rye Gin has twice as much juniper in its recipe as either of the other two St. George gins, and a base of pot-distilled rye that provides structure and spice. Warm bass notes of pepper and caraway give Dry Rye Gin an intriguing depth of flavor, while the rye provides a sweet maltiness reminiscent of a genever. Try our Dry Rye Gin in your favorite cocktails that call for either gin or rye—or sip it straight for a gin experience like no other.

	Unbelievable quality for the price. Outscored Delamain Pale and Dry, Martell Cordon Bleu, and four other noted cognacs in expert blind tastings (1989). Based on our first (1987) release,Lot 27 is no longer the same animal. We have learned a lot about when to harvest, how to vinify, how to distill, how to blend. Plus, we have an older cellar. We still like the youthful fruit of 5-year-old brandies (apple and pear), but we also like the deeper flavors that come from more age, trending towards plum/apricot. The blend is very rich, with 10-year-old Colombard, some Riesling, and a touch of Zinfandel. There is also a solera enrichment: Joe Corley rolls over earlier lots into the ongoing blends.

	Distilled by hand on our antique cognac still, blended from an appealling mix of richly fruited brandies and deeper, oakier, andmore mature distillates. Some of the brandies date back to our earliest distillations. Plenty of pinot noir brandy in the blend; tons of flavor and a finish that lasts for about 50 miles. Superior to major-house XO cognacs. “Dark and brooding” – Joe Corley.

	Based on brandies distilled from pinot noir. Very complex, very elegant, very smooth. The pinot noir shows up in the incredible finish—subtle yet wonderfully rich fruit. In our blind tastings, you have to spend about double – Delamain Trés Vénérable, say, or Ferrand’s Abel – to match it. In 1999, Robb Report picked this as the world’s best distilled spirit, period.Ten barrels/year (fewer than 400 cases).

	"An initial aroma of yellow fruit and spice; after further air contact a stunning bouquet of tobacco leaf, tea leaves, burnt orange rind, combed cotton and grapefruit emerges. The palate entry is gently sweet and grapy; by midpalate the taste becomes intensely raisin-and-guava-like. Concludes with incredible finesse and tropical fruit lushness." 96-100 pts. - Reviewed by: The Wine Enthusiast
