56780	**2009 Chryseia**	$39.99	N/A	N/A

"The 2009 “Chryseia” is 70% Touriga Nacional and 30% Touriga Franca, aged for 13 months in new oak. While it retains its intensity of flavor and is hardly for the shy, it has begun to show a bit more class and integration, not just flamboyance and sex appeal. Its underlying power is asserting itself a little as well. It is a big, big Chryseia; this certainly has the potential to be the best Chryseia ever." - Reviewed by: The Wine Advocate - 94pts

"This juicy, medium-bodied red features plenty of minerality to the crushed red plum, dark cherry and raspberry flavors. Chocolate and spice notes mark the peppery finish." - Reviewed by: Wine Spectator - 87pts

71986	**2009 Niepoort Late Bottled Vintage Port**	$29.99	N/A	N/A

"A pretty, deep ruby/violet color, it has a complex aroma where red fruit notes are predominant, reminiscent of cherries and spices, with a peppery touch. A hint of dark chocolate. On the palate, it is greatly concentrated and full-bodied with firm tannins which at the same time are elegant and smooth. The great acidity provides freshness and balance to the wine. The finish is long and pleasant. This LBV is ready to be enjoyed and will become more complex by extending aging for a couple of decades." - Reviewed by: Producer
