	"The nosing passes find distant scents of honey, baked bread, and corn meal. The palate entry is pleasingly balanced and not the least cloying; at midpalate the flavor profile features integrated tastes of honey, spice and lemon zest. Finishes clean, balanced and very enjoyable. The citrus element nicely counters the honey and the bourbon." 85-89 pts. - Reviewed by: The Wine Enthusiast

	Beginning with the early June harvest, we destone, juice, and blend only the most aromatic varieties of Freestone and Clingstone peaches in preparation of this refined American whiskey. The intense and unique flavors marry perfectly with the subtle oak, vanilla, and raisin finish. We blend the juice of the most aromatic varieties of peaches with our whiskey and move the entire spirit to used bourbon barrels. The peaches slowly oxidize in the barrel, yielding more complex flavors and colors. When the time is right, it goes straight into bottles. - Reviewed by: Producer
