41004	**Quimera Imperial Stout 750ml**	$13.99	N/A	N/A
	"..Columbian coffee and chocolate, which are rounded with heightened candied sweetness due to the ester profile of grape, plumb, and earthy (maybe hoppy) notes that remind me of fresh tobacco. Where espresso, bittersweet chocolate, coco, or overt roast notes are expected, this is a very light Imperial Stout.." - Reviewed by: Beeradvocate.com			
41006	**Quimera Sparkling Ale**	$13.99	N/A	N/A
	"..Medium malt flavors of light breads, dough, and yeast all give a pilsner-esque edge. But then the caramel flavor and yeasty esters take the palate to English Pale Ale territory. And a return to the woody, earthy, and floral hops bring back a German spice and cleanliness.." - Reviewed by: Beeradvocate.com			
41007	**Quimera Stout**	$13.99	N/A	N/A
	"..Sweet roasty flavors surpress the smoky notes until finish while favoring the molasses soaked dark fruit fruit flavors and giving way to nutty and woody notes of walnut a burnt ambers. The estery, phenolic dance covers the flavor spread at mid palate through finish.." - Reviewed by: Beeradvocate.com			
41005	**Quimera Amber Ale**	$13.99	N/A	N/A
	"..A blend of malt and grain give a mix of caramel flavors along with grainy-sweetness that takes on a cola nut character. Again a hint of cream corn accompanies the malty/grainy sweetness and becomes more apparent going into the finish.." - Reviewed by: Beeradvocate.com
