73780	2011 Clos Erasmus Laurel	\$49.99	N/A	N/A
	"Dark cherry color with violet reflections. High robe, bright with abundant tears on the glass. Intense, expressive and concentrated aromas, round and enjoyable. Black fruit prevails and then gives way to floral notes, spices, toasted notes (which after a while become more roasted) and deep mineral nuances. Bulky and powerful attack. A fleshy red wine, with abundant fruity aromas, very tasty, with an unctuous palate. Excellent acidity and ripe tannins. Long, balanced and very persistent finish." - Reviewed by: Producer			
73292	2013 Alvaro Palacios Camins del Priorat	\$21.99	N/A	N/A
	"The evolving seriousness of Terrasses eventually left room for 'Camins del Priorat.' Alvaro Palacios had never wanted to be known solely for expensive "trophy" wines, and with Camins, he found the opportunity to create something special. Drawing on his wealth of vineyard sources, Alvaro is aiming to produce a wine that is affordably priced, but which also stays true to his vision of Priorat-powerful but elegant, approachable but restrained." - Reviewed by: Producer			
74557	2011 Acustic Celler Ritme	\$24.99	N/A	N/A
	"Deep ruby. Powerful, mineral-accented cherry and dark berry aromas are complicated by notes of anise, pungent herbs and floral oil. Lush and expansive, offering intense bitter cherry and blackberry flavors lifted by a zesty mineral nuance. Shows excellent energy and focus on the youthfully tannic finish, which leaves sweet dark fruit and spicecake notes behind. Give this extremely young wine some air or cellar time." - Reviewed by: International Wine Cellar - 92pts			
74125	2008 Marco Abella Mas Mallola	\$49.99	N/A	N/A
	"Dry, schisty aromas of cherry and spice are reserved and elevated. This is a bright wine with juicy acidity and complexity. Flavors of baked berry fruits are minerally at the core, while the finish is smooth, mature and steady, with lasting purity." - Reviewed by: The Wine Enthusiast - 92pts
