	"Tastes like a cheerful glassful of sunny tropical and citrus fruit invigorated by a tangerine twang and lively acidity with a fresh lemon and lime surge on the dry frisky finish. Goes with almost any fish or seafood especially sushi, shrimp, soft shell crabs, prawns, oysters or mussels in creamy white wine. It's also delicious with roast chicken, smoked turkey salads, macaroni cheese or any other creamy pasta. Also perfect served well chilled on its own." - Reviewed by: Producer
