| | "The initial inhalations expose a moderately spicy, black peppercorn perfume; aeration brings about flax, cooked vegetables, and brown sugar. The platform flavor is intensely cocoa-like, then at midpalate, the taste leaps into deeper cocoa/bittersweet chocolate territory before turning lean and keenly bittersweet, oily and chocolaty in the finish." 85-89 pts. - Reviewed by: The Wine Enthusiast | | | |

| | "Blue Mountain coffee grounds aroma have a pleasantly spicy, nutty edge. A round, supple entry leads to a sweet, lightly syrupy medium body of coffee, cane syrup, and roasted pecans. Finishes with a lightly peppery and sweet coffee and rock candy fade. Nice vibrancy and cut of acidity." - Reviewed by: Beverage Testing Institute | | | |

| | Amber with a deep copper cast. Moderately full bodied. Reminiscent of stone fruits, flan, herbs. Thick texture. Very viscous, with a rich silky feel that is delightful! Quite pronounced in its fruity components. Unctuous big finish. | | | |

| | "The first nosing passes find gentle scents of light spice and brown sugar; aeration reveals solid aromas of molasses and buttered toast. The palate entry is delicious, rich and toasty; the midpalate features elegant flavors of toasted honey-wheat bread, honey and refined sugar. The finish is more bittersweet than sweet." 90-95 pts. - Reviewed by: The Wine Enthusiast | | | |
