	"The color is bright, deep crimson. The nose reveals aromas of blackberries, black raspberries and ripe strawberries with just a touch of anise and spices such as clove and cinnamon. It is a medium bodied wine with graceful texture, balanced acidity and very ripe elegant tannins. The finish is moderately long, full of red fruits with a touch of sweet vanilla and black pepper." - Reviewed by: Producer

	"The 2011 Malagouzia “Axia” was raw and unevolved when I first saw it very early on. I wish everyone could taste it under these circumstances – so exuberant and pure, with hints of peach and grass. It was almost like a tank sample when tasted. It is delicious, friendly and fresh, if not terribly concentrated and not likely to develop much if at all with age. As I like to say with certain types of wines, however long they theoretically hold, you’ll do yourself a favor drinking them young and fresh as they may have nowhere to go but down and the youthful exuberance is one of their best features. I believe that is the case here, although the wine should hold a couple of years. It should win the winery a lot of friends this summer, though." - Reviewed by: The Wine Advocate - 87pts			
65818	**2011 Tselepos Nemea**	$17.99	N/A	N/A
	"The 2011 Agiorgitiko Classic, the winery's standard Nemea, was aged in French oak (approximately 40% new, the rest 2-3 years old) for ten months after tank fermentation. Those who like to compare Agiorgitiko to Pinot Noir, especially the Burgundy variety, get some comfort here. This is bright, elegant and charming, with nice aromatics and persistent flavor. It is sensual and caressing on the palate, with good integration of tannins to go with the persistent flavors and attractive aromatics. Its acidity enlivens it. It is simply the type of understated bottle that empties before you know it, and then you want more." - Reviewed by: The Wine Advocate - 88pts
