821513	**Schlenkerla Urbock**	$4.99	N/A	N/A
	Not as smoky as the Schlenkerla Marzen, but still has the same "barbecued" flavors that good smoked lagers exhibit. This is a Bavarian specialty for the true beer connossieur! Try it with cigars. - Reviewed by: Binny's			
24333	**Zhiguly Grande 12**	$1.99	N/A	N/A
	"Grande 12 has a nice clear amber color and little white head. Smell of malt and barley. On the tongue and in the mouth, the beer is crisp and refreshing. A mild herbal bitterness helps balance some of the sweetness, but still quite sweet and sticky. Alcohol is very well concealed. A good amount of malts and barley give the beer a sweet taste and a full body. Naturally fermented." - Reviewed by: Producer
