	"This is a fun, quirky bottle that makes a great conversation piece - it's a white wine made from 100% Pinot Noir! The juice is kept out of contact with the skins, which prevents the red color from developing. Aromas of strawberries, bananas, white and pink flowers dominate the nose, with the wine showing round, juicy fruit flavors (while still retaining a sense of elegance), and touch of cinnamon on the finish." - Trey Johnson, Binny's Champaign - Reviewed by: Binny's
