	"Pale cloudy orange with a creamy tiny bubbled lace, vague citrus peel hits the nose with a soft bluntness also. Soft lemony fermented wheat twang, hint of coriander with a powdery yeast undertone in the aroma. Moderate body, smooth and creamy with a light malt crispness which mostly comes from the wheat. Big burst of sweetness at first from the malt and coriander, hops are distant and let the spices be dominant throughout. A very well manufactured texture makes up for the loss in depth of the vague spices other than coriander. Hints of citric peel and light pepper corns find their way to the taste buds. Neutral powdery yeast creeps it way to the flavor threshold. Crisp wheat is very refreshing and seems to linger for ever and evolves into an increasingly crisp and semi dry finish. Somewhat sweeter and softer than other Belgian Style White Ales, not bad at all but does lack some depth." - Reviewed by: Beeradvocate.com
