	"This is a typical wine of "Vins des Sables" appellation, colourless, salmon-pink, a delicate aromatic fineness, smooth and well-rounded in mouth. It can accompany a whole summer meal, but will also be appreciated with spicy exotic food. Also, we suggest it for aperitif with some "tapas". - Reviewed by: Producer

The mouth is complex with raspberry and wild strawberry notes, wild herbs, citrus, wet-stones flavors. It has a refreshing acidity - thanks to the altitude of the vineyards - and a round long and vibrant finish." - Reviewed by: Producer

	"This wine was a staff favorite from the first time we tried it last spring, and some of us have been eagerly awaiting the new vintage. Grolleau Gris is the grape, grown in a relatively small area in the Loire Valley. With a lovely floral and fruity nose, the Domaine Herbauges Grolleau Gris is an easy-drinking, crisp, fruity white. As one staff member said, 'This tastes just like summer!'" -- Nancy Koeneman, Binny's Champaign - Reviewed by: Binny's
