51538	**2009 Domaine du Castel Grand Vin**	$74.99	N/A	N/A
	"As tends to be the case, this is tighter, more focused, more powerful and a bit harder edged than the Petit Castel – not surprising considering that this is Cabernet-dominated and the Petit Castel is Merlot-dominated – but they still have similar styles. This is a moderately earthy wine this year – less earthy than the 2009 Petit Castel, though – with seductive texture and focus." - Reviewed by: The Wine Advocate - 92pts

	"Broad and ripe tasting, with with roasted plum and dried cherry flavors which feature interesting notes of hickory smoke. Dark chocolate on the finish." - Reviewed by: Wine Spectator - 87pts
