170211	**10 Cane Rum**	$24.99	N/A	N/A
	"A one- of-a-kind bouquet that includes aromas of cooked brown rice and broccoli, brown sugar, raw cane, brine, soy sauce and vanilla bean. The palate entry tastes of bittersweet sugar cane; at midpalate the taste becomes more sophisticated, silky, honey sweet and lightly spiced. Concludes nicely bittersweet, a bit cocoa-like, and beany." 90-95 pts. - Reviewed by: The Wine Enthusiast

	"I really liked this Lager, a lot. Buzz/cheer factor was high, like a malt-liquor, but it's a very uplifting beer. Quenches much more than physical thirst. Typically served with a small lime wedge." - Reviewed by: Beeradvocate.com
