51094	**Deschutes Hop Henge IPA**	$5.99	**$4.99***	17%
	"Hop Henge Experimental IPA is our annual exercise in IBU escalation. An outrageous amount of Centennial and Cascade hops are added to each barrel, with a heavy dry-hop presence as well. It is dense and muscular, with a blend of crystal, pale and carastan malts creating an overall biscuity characteristic. It’s all hop, no apologies."
