	The NUB cigars were created by the Oliva cigar company to give the smoker the “sweet spot” of a cigar from the initial light. These cigars, little in length yet big on diameter, do exactly what they were intended to do, deliver flavor and deliver it quickly. The NUB Cameroon uses authentic African wrapper leaf, accompanied with Nicaraguan tobaccos, it delivers rich notes of cedar and coffee. Don’t let the size fool you, these cigars smoke as long as a Churchill or even a Presidente.
