	"Overall very good clarity, with just a few floating tendrils seen. Wow, this aroma comes flying out of the glass in waves of white potato, starch, and parchment; seven more minutes of aeration don't greatly alter the aromatic profile, but there is a noticeable deepening of the established scents, especially the raw white potato element. Entry is nothing short of luscious, semisweet, chewy, and smooth; midpalate adds cocoa bean, maple, and honey. Aftertaste is graceful, solid, and simply delicious. The best small-scale vodka I've had since the Five Star 45th Parallel. So sumptuous and tasty that it's spectacular tasted neat. Best non-Polish potato vodka available. BRAVO! AWESOME ACHIEVEMENT!" - F. Paul Pacult, Spirit Journal, December 2010. - Reviewed by: F. Paul Pacult - 5pts
