33587	**2010 Chateau Pontet Canet Pauillac**	$240.00	N/A	N/A

"An absolutely amazing wine, from grapes harvested between the end of September and October 17, this blend of 65% Cabernet Sauvignon, 30% Merlot and the rest Cabernet Franc and Petit Verdot has close to 15% natural alcohol. It comes from one of the few biodynamic vineyards in Bordeaux, but you are likely to see many more, given the success that Tesseron seems to be having at all levels, both in his vineyards and in his fermentation/winemaking. An astounding, compelling wine with the classic Pauillac nose more often associated with its cross-street neighbor, Mouton-Rothschild, creme de cassis, there are also some violets and other assorted floral notes. The wine has off-the-charts massiveness and intensity but never comes across as heavy, overbearing or astringent. The freshness, laser-like precision, and full-bodied, massive richness and extract are simply remarkable to behold and experience. It is very easy, to become jaded tasting such great wines from a great vintage, but it is really a privilege to taste something as amazing as this. Unfortunately, it needs a good decade of cellaring, and that's assuming it doesn't close down over the next few years. This is a 50- to 75-year wine from one of the half-dozen or so most compulsive and obsessive proprietors in all of Bordeaux. Is there anything that proprietor Alfred Tesseron is not doing right? Talk about an estate that is on top of its game! Pontet-Canet's 2010 is a more structured, tannic and restrained version of their most recent perfect wine, the 2009. Kudos to Pontet-Canet!" -Robert Parker - Reviewed by: The Wine Advocate - 100pts

"Proprietor Alfred Tesseron's 2011 Pontet-Canet is packaged in an engraved, heavy bottle, which only adds to the attractiveness of this beauty. A dense purple color is accompanied by notes of forest floor, acacia flowers and creme de cassis in this full, rich, and unequivocally classic Pauillac. With soft but noticeable tannins as well as a complete, full-bodied mouthfeel, this 2011 will benefit from 3-4 years of cellaring, and should age effortlessly for 15-20 years. Bravo!." -Robert Parker, Jr. - Reviewed by: The Wine Advocate - 93pts
