	Honey wine with tea & lemon juice. From the label: "It's been a long day. I had to hide out in my burrow for the better part of the day waiting for those damn golfers. But today was my day, I finally did it. I didn't even need a reason. I wonder if they received total consciousness. It's like a Cinderella story, out of nowhere, a former dancing gopher becomes a killing champion. I had my special drink, a half & half, while I got in touch with that force in the universe that makes things happen. All I had to do was stop thinking...let things happen...and B. THE BALL." - Reviewed by: Producer
