190031	**Angel's Envy Port Barrel Finished Bourbon**	$44.99	N/A	N/A

Kentucky straight bourbon whiskey finished in a port pipe. This is veteran master distiller Lincoln Henderson's newest creation, and it's a beauty. Richly textured, silky, and well-rounded, with ripe berried fruits, candied tangerine, light toffee, maple syrup, and creamy vanilla, sprinkled with spice (cinnamon, hint of mint). Smooth, silky finish, and dangerously drinkable! The port pipe notes dovetail perfectly. Lovely just the way it is, but it's begging for a cigar. My only gripe: why not 45 or 50% ABV? But I'm splitting hairs. I really enjoy this stuff!

160504	**Balvenie 14 year old Carribean Rum Cask Finished**	$69.99	N/A	N/A

A new addition to the permanent Balvenie range. Lovely bright gold color. Layers of sweetness (the characteristic Balvenie honey, along with vanilla fudge, nougat and rich toffee) peppered with dried spice and a hint of tropical fruit (papaya, guava, tangerine). Great viscosity with good grip on the finish. I really like the balance in this whisky—nice complexity too! A very solid effort and the price is right.

195913	**High West Double Rye Whiskey**	$39.99	N/A	N/A
	A blend of two straight whiskeys: a very young 2 year old high rye content whiskey and a 16 year old rye whiskey with a lower rye content. Perhaps the spiciest American whiskey I have ever tasted, yet at the same time, quite tame and mellow. Complex notes of mint, clove, cinnamon, licorice root, pine nuts, and dark chocolate, with a surprising dose of gin botanicals throughout. A soft underbelly of caramel, sweet corn, and soothing vanilla provides an interesting counterpoint. Very easy-drinking, too (hard to believe it's 46%). Intriguing, and a must-try for rye whiskey aficionados — even if only to satisfy your curiosity.

That process has developed to a point where we are also offering Ardbeg/Glen Rothes and Bowmore/Highland Park fusions. Whether you call this a vatted Malt or a blend of Malts – we have brought together in each of these DOUBLE BARREL selections some truly individual and unique character of nose, palate and finish, all left unchill filtered at 46% alc vol. Prior to prohibition Americans drank rye whiskey. Rye has a unique character that no other grain can provide in that the rye imparts a spicy flavor. Our Ole George Whiskey is bottled straight from the barrel. We do not chill filter our whiskey. Chill filtering can remove flavor from the whiskey which is why we will not chill filter. Our goal with Ole George Whiskey is to let the unique flavor of the rye come through.

	We have turned back the clock and revived the German tradition of distilling beer. pür·spirits introduces bierbrand, an old-school German distillation of craft-brewed Märzen beer that is aged in chestnut casks. This rare and unique spirit is a graceful cousin of whisky yet rightly occupies a category all its own. The secret to distilling pür·geist bierbrand lies in our fine beer, brewed according to the German Reinheitsgebot, and generations of experience! Exceptional quality is guaranteed by excluding anything but 4 ingredients: malted barley, hops, yeast, and alpine spring water. In contrast to commercially mass produced liquors, pür·geist bierbrand is small batch distilled in traditional copper pot stills to extract all the beer's nuances. New barrels impart a luminous golden color and add chestnut notes to the bierbrand's fine maltiness. Delicious served straight at room temperature or as a beer lover's twist to a more traditional Manhattan.
