	"The 2008 Vintage Tunina is terrific. The wine's trademark expansive bouquet and generous fruit are beautifully balanced by a vein of minerality that is the hallmark of this cool year. All of the elements come together beautifully in the glass as the 2008 Vintage Tunina shows off layers of succulent peaches, pears, apricots, flowers and mint, along with hints of sweetness from the late-harvested fruit that is such a big component of the wine's signature style."
