874545	**Kristoff Ligero Robusto 5.5x54**	$7.55	N/A	N/A
	The Kristoff line of cigars have been a humidor favorite from their initial debut in the cigar world. This new blend adds more Ligero filler tobaccos that in turn add more body and strength yet retain the finesse they are known for. The robusto, being medium to full in body, gives the smoker a mouthful of café con leche with touches of cocao that linger on throughout the palate. Another winner from the Kristoff family of cigars.
