"Our delicious Malbec is 100% from Mendoza, Argentina. It has a vibrant red color with violet tones. Subtle and delicious aromas with an intense mixture of red fruits, plum and cherry jam. On the palate it’s juicy and has intense wood-like tannins that make it a rustic, yet versatile wine. Long finish." - Reviewed by: Producer

"Deep dark purple color. Strong nose of ripe plum, grilled bread, cloves and blackest of black currants. The tannins hold the stage in the large voluminous wine. Blackberries, blueberries and all things dark hold through while balancing on the rich mouth feel and acidity. Persists with plum (flesh and skin) and clove on the finish." - Reviewed by: Producer
