"The 2011 G Dehesa Gago eschews oak – the wine is just put in the tank and then racked. It has a straightforward bouquet of blueberry, red cherries and a touch of balsamic that is well-defined and “pert.” The palate is quite succulent and primal on the entry with lush blueberry and cassis notes. It offers a pleasing, grainy texture with that balsamic note returning on the finish." - Reviewed by: The Wine Advocate - 90pts

"The 2011 Almirez…comes from vineyards in Valdefinjas and Toro from vines between 15 and 65 years in age. The “crazy” thermal jumps meant there was much more freshness in this particular wine than any other vintage. It was matured in 30% in new French oak and 70% one year old. It has a deep, introspective bouquet of fresh blackberry and raspberry leaf that opens beautifully with aeration. The oak is finely synched with the fruit here. The palate is succulent and fleshy on the entry, with crisp acidity and persuasive poise and minerality on the finely tuned finish. It is almost the antithesis of cliched Toro being 'heavy' or 'alcoholic.' Superb!" - Reviewed by: The Wine Advocate - 91 to 93pts

"Bright purple. Sexy aromas of candied black and blue fruits, with woodsmoke and lavender nuances adding complexity. Sappy, palate-coating blackberry and mulberry flavors show a blend of power and vivacity and pick up a floral pastille nuance with air. Tannins come on late and add grip to a long, smoke-accented finish." - Reviewed by: International Wine Cellar - 90pts

"Clean ripe red fruit, specifically pronounced pomegranate aromas, a touch of cherry and some oaky smoke to lift it out of the glass. This wine is dry, with medium acid. Great follow through on the pomegranate from the nose, along with some stewed raspberry and red cherry." - Reviewed by: Producer

"Intense and clean red fruit aromas of strawberry, raspberry and blackberry can be perceived. High roasts, vanilla and coconut describe the quality of the wood. The finish is balsamic and minty. The mouthfeel is amiable, zesty, and fresh… Well-integrated tannins together with correct acidity give the wine elegance, roundness and balance. Red fruit prevails together with everything that the wood brought out with excellent assemblage. It has a long and pleasant finish." - Reviewed by: Producer

"A glass-coating opaque purple color (a trademark of the 2009 vintage in Toro), it surrenders an inviting perfume of violets, spicy black fruits, and an earthy minerality. Displaying some complexity as well as succulent fruit, this lengthy effort is an outstanding value that can be enjoyed now and over the next 6+ years." - Reviewed by: The Wine Advocate - 90pts

"A powerful wine with modern structure and distinctive character. This red is so thick and rich it's almost oily in texture, with exotic flavors of black fruit, game, dried herb and hoisin. Muscular tannins keep this structured, but give way to floral and graphite notes on the finish." - Reviewed by: Wine Spectator - 95pts

"Glass-staining purple. Exotic, pungent scents of cherry-cola, potpourri and white pepper, plus a sexy note of sandalwood. Very fresh in the mouth, with intense, floral-accented black raspberry and bitter cherry flavors that become sweeter and spicier with aeration. "The wine comes from 90- to 100-year-old vines that are treated biodynamically and is aged in used French oak barrels for 14 months. It has an attractive, understated bouquet of earthy dark berry fruits, briary and wild hedgerow that is natural and well-defined. The palate is medium-bodied with succulent ripe dark berries, mulberry and a saline note that is very generous. It needs a little more delineation towards the mocha-tinged finish, although it has impressive volume and weight in the mouth." - Reviewed by: The Wine Advocate - 89pts
