"Sunset red to the eye, with almost overpowering red fruit notes on the nose. Tart raspberries on the attack, with tangerines coming to fore with every ensuing sip, and all framed by just a dash of baking spices. Fresh red cherries with a swirl of the glass. Delightfully crisp and refreshing for as powerful and flavorful as it is - making it not only enjoyable during the summer months but also ideal to serve with food. A real vintage quality emerges with time, almost reminiscent of a mature Pinot Noir. A connoisseur's brew if there ever was one." - Reviewed by: Binny's

"In this third and final creation of our collaborations with other breweries celebrating their 25th Anniversary this year, we've partnered with Goose Island Beer Company. Michigan Riesling and Oregon Pinot Noir grapes age with Mt. Hood whole flower hops and Pilsner malt in Muscat casks. The fruit aroma unites with Belgian yeast esters and oak for a crisp, dry and slightly tart flavor. Sip slowly and enjoy the complexity. Malt: Pilsner, Flaked Oats, Malted Wheat Hops: Tettnang, Mt. Hood Other: Michigan Riesling juice and Oregon Pinot Noir grapes Barrel-Aging: 100% in 10-year-old Muscat barrels" - Reviewed by: Producer
