Golden amber in color, the Dry Fly Washington Bourbon has a nice spicy nose that brings together cinnamon, vanilla, allspice, oak, and caramel. The entry is very flavorful with big vanilla and caramel that hit the palate right out of the gate. The mouthfeel is simply fantastic, soft without being fatty with just a hint of elegance to it. Things open up considerably in the mid palate with some fantastic spice that balances out the sweet tones in the bourbon, including cinnamon, clove, and oak. The heat begins to come through at the end of the mid palate and leads to a fantastic long, sweet, and spicy finish. There's no question that this is a younger bourbon, but how Dry Fly has managed to pull a level of complexity and sophistication out of such a young spirit is absolutely beyond us." 32096	**Pur Geist Bierbrand Spirit Distilled From Malted Barley**	$24.99	N/A	N/A
	We have turned back the clock and revived the German tradition of distilling beer. pür·spirits introduces bierbrand, an old-school German distillation of craft-brewed Märzen beer that is aged in chestnut casks. This rare and unique spirit is a graceful cousin of whisky yet rightly occupies a category all its own. The secret to distilling pür·geist bierbrand lies in our fine beer, brewed according to the German Reinheitsgebot, and generations of experience! Exceptional quality is guaranteed by excluding anything but 4 ingredients: malted barley, hops, yeast, and alpine spring water. In contrast to commercially mass produced liquors, pür·geist bierbrand is small batch distilled in traditional copper pot stills to extract all the beer's nuances. New barrels impart a luminous golden color and add chestnut notes to the bierbrand's fine maltiness. Delicious served straight at room temperature or as a beer lover's twist to a more traditional Manhattan.
