32478	**Bitter Truth Grapefruit Bitters**	$16.99	N/A	N/A
	"Grapefruit meets with hops to create a fresh, bright citrus note. Best friends with gin and tequila, these bitters play nicely with fizzy and fruity drinks as well." - reviewed by producer			
32483	**Bitter Truth Lemon Bitters**	$16.99	N/A	N/A
	"Fresh and fruity-tangy with an unbelievably intense citrus note. They are bitter to the taste with flavorful notes of coriander and cardamom in the background. Primarily suited for drinks that are based on clear spirits like Vodka, Gin and Silver Tequila, but also go well with many other spirits and liqueurs." - producer review
