55192	B. Nektar Necromangocon Mead Mango & black pepper honey wine. From the label: "Many years ago, a mysterious book was discovered by a group of friends in a Ferndale, MI basement. A translation of its contents revealed the recipe for an ancient beverage using mango juice, honey, and black pepper. What they didn't realize was that creating the beverage had dire consequences. Stricken by fear after its completion, the friends tried to contain the terrifying forces into this very bottle. Once opened, however, no one can say for sure if it can be conquered. 67515	B. Nektar Kill All Golfers Honey wine with tea & lemon juice. From the label: "It's been a long day. I had to hide out in my burrow for the better part of the day waiting for those damn golfers. But today was my day, I finally did it. I didn't even need a reason. I wonder if they received total consciousness. It's like a Cinderella story, out of nowhere, a former dancing gopher becomes a killing champion. I had my special drink, a half & half, while I got in touch with that force in the universe that makes things happen. All I had to do was stop thinking...let things happen...and B. 57745	B. Nektar Black Fang Mead Honey wine with blackberry, clove & orange zest added. From the label: "Our kind has been around for centuries, living in plain sight, and yet has remained recondite. But now, the world is ready for us to come out of the coffin. Don't be afraid. I'm going to give you the choice I never had. The mead is the life, and it can be yours. Savor the flood of blackberry as it is penetrated by the seductive honey, clove and orange zest in this forbidden libation. You never knew what life was until it ran out in a big gush over your lips. It's only mead, Michael. Drink up and meet your maker. CAUTION: Keep away from sunlight. Product will not sparkle in sunlight. B. POSITIVE" "A lightly carbonated, semi-sweet mead made with wildflower honey, blackberry juice, cloves and orange peel." - Reviewed by: Producer	\$7.99	N/A	N/A
60818	B. Nektar Dwarf Invasion Honey wine with cherry and hops added. "The mead is inspired by a cherry lambic. We use Michigan wildflower honey as the base for this mead, and add tart Michigan Balaton cherry juice and then dry hop it with Styrian Golding hops. The taste is sweet, tart, acidic, with a mild bitterness from the hops. The aroma is pure heaven." From the label: "In the battle of Craft vs. Crafty, the time has come for the dwarves to show the giants they mean business. With blades as sharp as Balaton cherries, they can cut their way through the deceit with the ease of pure honey flowing over fresh hops. Le Nain Rouge is known to appear before a tragic event and this time is no exception. It's only a matter of time before the dwarves declare their victory. This is no mere movement. This is dwarf invasion! B. HEAD THE GIANTS" - Reviewed by: Producer	\$7.99	N/A	N/A
58694	B. Nektar Zombies Take Manhattan Mead Rye Whiskey Cask-Aged Imperial Zombie Killer From the label: "We thought we had them under control. The antidote was working. But life, or even death, finds a way. After a year of successful treatments, their bodies stopped responding and grew to nearly twice their normal size. Now they've overrun the city. I fear it's too late for mankind. They're coming... B. Afraid" - Reviewed by: Producer	\$15.99	N/A	N/A
48939	B. Nektar Evil Genius Mead IPA-Style Mead From the label: "In an obscure industrial lair resides the man known only as the evil Dr. I.P.A. Using his hadron colider, hidden deep underground, he has conducted his most remarkable experiment to-date. The result is a perfect balance of honey and hops. But there are side-effects...his lab rats can't get enough of the stuff. And soon, neither will you. Introducing the Evil Genius. The big bang is no longer a theory, it's your reality. Made with raw Michigan wildflower honey and hops (Chinook, Cluster, Cascade)." - Reviewed by: Producer	\$7.99	N/A	N/A
