"Dos Osos, or "two bears," IPA is a collaboration brew with our great friend Dustin Kral who is the lead brewer at Firestone Walker Brewing Co. in Paso Robles, CA. Named after both the bear on the California State flag and the Chicago bears this IPA is described as a Central Coast IPA, named for California's Central Coast. As with most West Coast IPAs, our version in not bogged down with lots of specialty malts and is dry, crisp and clean which is a trademark of the hoppy ales from both Revolution and Firestone. 2-row, Munich, and a touch of cara-pils lend a subtle malt base to which the layers of hop character are built upon. An array of hops including Warrior, Chinook, Centennial, Cascade and Citra infuse this ale with aromas and flavors of fresh flowers, citrus and passion fruit. The finished product is a clean refreshing IPA with a crisp bitterness and wonderful hop bouquet." - Reviewed by: Producer
