Pisa sub--region within the Cromell Basin. The wine impresses with a very expressive and seductive character. It exhibits aromas of dark cherry, but also red fruits including crushed raspberries, along with subtle spice, rose petal, earthy, and mineral notes. And, the wine features a rich and velvety texture." - Reviewed by: Producer	\$32.99	N/A	N/A

68855	2012 Burn Cottage Pinot Noir "The 2012 Burn Cottage shows aromas of blackberry and dark cherry with hints of exotic notes of orange peel, sassafras and root vegetables: fennel and beetroot. Only with much air do the lovely notes of spice cake and whole cluster fermentation begin to show. It is not nearly as forward and showy as the 2011 vintage at the same stage. This version is quite concentrated with lovely acidity and structured tannins. The 2012 is the most firm and enigmatic Burn Cottage we have yet produced." - Reviewed by: Producer	\$59.99	N/A	N/A

	"Good full dark red. Spicy aromas of black raspberry, mocha, cola, chocolate, meat, sandalwood and cardamom; initially reminded me of a very good Beaujolais cru but it's more complex than that. Began slightly disjointed, with a decadent ripeness clashing with elevated acidity and hardened by CO2 but came into better harmony with extended aeration. The musky, rich dark berry, black cherry and spice elements maintain a brisk, wild character but really energize the mouth. Finishes with serious dusty tannins and firm-edged acidity. Give this a good double-decanting to eliminate some of gas if you plan to open a bottle anytime soon, or simply lay it down for a few years." - Stephen Tanzer - Reviewed by: International Wine Cellar - 91pts
