74162	2012 Corvidae Lenore Syrah "Sourced from several vineyards throughout the Yakima Valley and the Horse Heaven Hills, the 2012 Lenore Syrah shows the more opulent and balanced 2012 vintage with its fruit forward attack and rounded, rich mid-palate texture. Aging in predominantly neutral French oak maintains the bright berry and savory aromatics of this wild, gamey varietal." - Reviewed by: Producer	\$15.99	\$14.99*	6%

74064	2011 Force Majeure Red Collaboration Series VI Syrah "The estate's Rhone-styled blend is the Collaboration VI. Comprised of 47% Mourvedre, 42% Syrah and 11% Grenache, the 2011 Collaboration Series VI was fermented in concrete eggs (some whole-cluster inclusion) and aged 20 months in 500-liter French oak puncheons. Made by James Mantone (of Syncline), it offers classic white pepper, ground herbs, earth and assorted dark fruit characteristics to go with a medium to full-bodied, pure and beautifully textured feel on the palate. Elegant, fresh and with a terrific finish." - Reviewed by: The Wine Advocate - 94 to 96pts	\$49.99	N/A	N/A
55862	2011 K Vintners Syrah Milbrandt Wahluke Slope "Complex and brooding. Black cherry, plum, fresh herbs and cool earth completing the plushness with an elegant, long lingering finish that expresses minerality and wet stone. 74163	2012 Owen Roe Syrah Ex Umbris "The 2012 Ex Umbris is a great expression of the bold fruit flavors from that year. Bursting with aromas of red plum, blueberry and pink peppercorn. The palate is filled with refreshing flavors of fresh summer blackberries, currant, and dark chocolate with noticeably structured acidity and silky tannins." - Reviewed by: Producer	\$26.99	N/A	N/A
68519	2011 Reininger Syrah Walla Walla "Elegance and beauty best describe this dark garnet colored Syrah that floats a vine woven potpourri basket of dried lavender, violet, and honeysuckle petals with mild spice down a satin river of blueberry and huckleberry reduction, swirling into an eddy of Crème de Cassis and Chambord Frambois while 'the mist of a smoke of a distant fire' lingers over the slow moving current that has cut shallow banks through soft loamy soils. A requisite long rest on the palate exudes languishing intense and juicy flavors on a riverbed of soft tannins." - Reviewed by: Producer	\$27.99	\$25.99*	7%
72116	2011 K Vintners Syrah Clifton Hills "A wine that wasn't produced in 2010, the 2011 Syrah Clifton Vineyard is a 100% Syrah all from the Wahluke Slope AVA. Loaded with potential, it exhibits a dense, full-bodied profile to go with already complex aromas and flavors. Showing the freshness of the vintage with its juicy, integrated acidity, it has beautiful ripeness, no hard edges and superb overall balance. It should be reasonably approachable on release and age gracefully." - Reviewed by: The Wine Advocate - 92 to 94pts	\$39.99	\$35.99*	10%
68081	2011 Owen Roe Syrah Red Willow Vineyard Chapel Block "Good bright medium ruby. Sexy, high-toned aromas of blackberry, black raspberry, chocolate and rose petal. Silky and sweet on the palate, with cherry and mocha flavors complicated by a whiff of menthol. Finishes with broad, sweet, palate-saturating tannins and noteworthy length." - Reviewed by: International Wine Cellar - 91pts	\$49.99	\$45.99*	8%

74062	2011 Force Majeure Syrah Collaboration Series "Coming all from the estate Force Majeure Vineyard, the 2011 Collaboration Series Syrah displays the earthy, savory side to the variety with plenty of tobacco leaf, underbrush, black pepper, currants and damp earth on the nose. A rich, full-bodied effort that defies the age-old, old-vine marketing you often hear (it's from fourth leaf vines), it is beautifully concentrated and rich through the mid-palate, has a fleshy, weighty texture and a great finish. I can't wait to taste it from bottle, but I suspect it will be reasonably approachable on release and have a 12-15 years of prime drinking." - Reviewed by: The Wine Advocate - 94 to 96pts	\$52.99	N/A	N/A
49251	2008 Long Shadows Sequel Syrah "Smoke, game, black tea, incense, blueberry, and blackberry aromas compose the bouquet of this relatively forward, plush, pleasure-bent Syrah. 69818	2010 Long Shadows Sequel Syrah "The best vintage of this cuvee to date, the 2010 Syrah Sequel, made by John Duval of John Duval Wines in Barossa, is a blend of 93% Syrah and 7% Cabernet Sauvignon that spent 18 months in 65% new French oak. Inky purple in color, it is decidedly meaty on the nose, with layers of black fruit, smoked meat, pepper and toast all emerging from the glass. Classy and rich on the palate, it dishes out a medium to full-bodied texture, great acidity and a blockbuster finish that keeps you coming back to the glass. Despite the overall richness level, the overall profile here is downright elegant and perfectly balanced; while already delicious, it will evolve gracefully for over a decade." - Reviewed by: The Wine Advocate - 94pts	\$49.99	\$39.99*	20%
72117	2011 K Vintners Syrah River Rock "Looking at the 2011s from barrel, all of which are impressive, the 2011 Syrah Riverrock Vineyard is 100% Syrah that's aging in puncheons and on gross lees (this is slightly heavier, larger pieces of skin, pulp etc.). Showing the cooler nature of the vintage, with lively blackberry, smoke, lavender and crushed stone, it doesn't lack for richness or depth and has full-bodied power, great acidity and a long, classy finish. I imagine it will benefit from short-term cellaring once released and have a lengthy drink window." - Reviewed by: The Wine Advocate - 93 to 95pts	\$44.99	\$39.99*	11%
52265	2009 Columbia Crest Two Vines Shiraz "This Shiraz features New World-style ripe and jammy fruit aromas. Flavors of black cherry and white pepper are pronounced on the palate with hints of boysenberry and raspberry. This is an elegant yet approachable and complex wine without being complicated." - Reviewed by: Producer	\$6.99	N/A	N/A
70170	2009 Corliss Estates Syrah "For this report, the 2009 Syrah is the youngest release and it's certainly worth waiting for. A co-fermented blend of 95% Syrah and 5% Viognier that spent 30 months in 55% new French oak, it offers up a thrilling array of blackberry and black currant fruit, incense, spice box, chocolate and roasted meats on the nose. Already complex and getting a big "Wow" in my notes, it has decadent richness, yet never seems heavy or cumbersome. Similarly styled on the palate, with a full-bodied, voluptuous texture, superb mid-palate depth and masses of tannin on the finish, it will benefit from another 2-3 years in the cellar and have 10-15 years or more of ultimate longevity." - Reviewed by: The Wine Advocate - 96pts	\$59.99	\$49.99*	17%
74065	2011 Force Majeure Cabernet Sauvignon Collaboration Series "Coming all from the new, incredibly steep estate vineyard located high up near the top of Red Mountain, the 2011 Collaboration Series Cabernet Sauvignon is distinct in the lineup for its deep black currant, tobacco, underbrush, violets and mineral-loaded profile. More rounded and supple on the palate than some of the Ciel du Cheval bottlings, it has a rich, weighty mouthfeel, knockout purity of fruit and enough silky tannin to allow it to evolve gracefully for at least a decade. This is only the fourth leaf for the vineyard and hats off to the Force Majeure crew for having the vision to push the envelope on where grape vines can be planted and for the perseverance to work those steep hillsides." - Reviewed by: The Wine Advocate - 93 to 95pts	\$69.99	N/A	N/A
56544	2009 Long Shadows Sequel Syrah "Good bright, deep ruby. Complex, scented nose combines crushed rock, licorice, blackberry, smoked meat, black pepper and graphite. Very clean and primary syrah with terrific depth." - Stephen Tanzer - Reviewed by: International Wine Cellar - 93pts	\$49.99	\$39.99*	20%
