	"Vivid ruby. Smoky cherry and blackberry aromas are lifted by a peppery nuance and a hint of fresh rose. Fleshy and seamless in texture, offering gently sweet dark fruit flavors and a touch of bitter chocolate, with juicy acidity adding lift. The peppery note comes back on the subtly tannic, clinging finish, adding bite and refreshing cut." - Reviewed by: International Wine Cellar - 90pts

	"In Ponzi's Willamette-wide cuvee of 2011 Pinot Noir, pecan-like, bittersweet nuttiness accents juicy cherry on a surprisingly soft and expansive mid-palate given the vintage. There is however a fine sense of refreshing juiciness joined by deeply savory, saliva-liberating salinity in this wines delightful and persistent finish." - Reviewed by: The Wine Advocate - 90pts

	"The basic Willamette cuvee of Brooks 2011 Pinot Noir incorporates barrels from all of the winery's numerous sources, although it ends up being 80% from the Eola-Amity Hills. This features tart-edged, juicy black fruits shadowed by their distilled counterparts and allied to similarly mouthwatering salinity. Alluring perfume of wisteria and freesia add to the temptation of the fruit. A pleasant suggestion of fruit skin chewiness and berry seed crunch lends invigoration to a penetrating finish." - Reviewed by: The Wine Advocate - 90pts

53443	<b>2010 Soter Pinot Noir North Valley</b>	\$34.99	N/A	N/A
	<p>"Soter's 2010 Pinot Noir North Valley is informed by fruit from five growers in disparate sectors whom winemaker James Cahill says have proven over the last half dozen years to be those with whom a collaboration that demands organic certification, strict quality control and a common vision proved viable. "A couple of our growers are dear friends," Cahill adds, "with whom I'd like to think that collaborating on this wine has been a mutually satisfying relationship close to the heart." The bottled result is certainly highly satisfying. Nut oils and vanilla join ripe, fresh red berries on the nose and on a satin-textured yet refreshing palate, with a savory streak of salinity serving to activate the salivary glands in a delightfully long finish. This is how an "intro-level" Willamette Pinot should taste: not just encouraging the next sip but also a move up the qualitative ladder to single vineyard selections based on the experience of an allure that only ever accrues to Pinot Noir." - Reviewed by: The Wine Advocate - 90pts</p>
