84466	2009 Chateau Pichon Longueville au Baron Pauillac	\$180.00	N/A	N/A
	"Revealing incredible quality and performing better than it did from barrel, the 2009 appears to be the greatest Pichon Longueville Baron since the 1990 and 1989. An amazing opaque blue/purple color is followed by scents of spring flowers, graphite, smoky charcoal, incense, blackberries, blueberries and hints of coffee and chocolate. Incredibly intense, pure and flawlessly constructed with extravagant layers of fruit and richness, this offering has developed beautifully under the management of Christian Seeley. It is a voluptuous, opulent Pichon Longueville Baron that may eclipse anything they have made in the past. This brilliant wine should be at its peak between 2018 and 2045." - Robert M. 	"This is mouthfilling, with terrifically dense yet graceful layers of roasted coffee, warm fig sauce, currant preserves and Kenya AA coffee. The powerful finish blends iron-clad tannins and a hint of loam. Cuts a broad swath, but remains pure. Destined for a long life." -Wine Spectator, 95 to 98 pts. "A prodigious, blockbuster effort from Pichon Longueville Baron, the 2010 is reminiscent of this estate's titanic offerings in 1989 and 1990, but may be even greater with 30 years of longevity. Kudos to proprietor AXA and general director Christian Seeley. It was absolutely compelling on each of the three times I tasted it. Black/purple-colored with super concentration and richness as well as full body, it offers an awesome display of creme de cassis, blackberry liqueur, licorice, camphor and spring flowers. Stunningly pure and unctuously textured with high but sweet, well-integrated tannins, this superstar of the vintage is definitely a wine to purchase as a future." -Robert Parker - Reviewed by: The Wine Advocate - 97pts

	"A fabulous young wine with superb depth of fruit and density that shows blueberries, blackberries, oyster shells and stones. Full-bodied, chewy yet with a laser-guided backbone of tannins. Goes on for minutes. Concentrated yet so fine and beautiful. The tannin content analysis is the same as 2009 and 2010 apparently from the winemakers, but the tannin quality is better. Amazing. This could be a remake of the 2010 but fresher." - March 31st, 2015 - Reviewed by: James Suckling - 95 to 96pts
